Background

A SEW is a body corporate established by section 85 of the Water Act 1989 (Vic) and is a water corporation under that Act.

B SEW is responsible for the construction, operation and maintenance of infrastructure relevant to water supply and/or sewerage.

C SEW has an interest in ensuring, and a responsibility to ensure that Water Infrastructure constructed by third parties is designed and constructed in a suitable manner and to appropriate standards.

D In order to ensure that this Water Infrastructure is designed and constructed in a suitable manner and to appropriate standards only parties accredited by SEW may design or construct this Water Infrastructure.

E SEW’s previous accreditation process operated between 2009 and 2013.

F The Contractor has applied for Accreditation. This Accreditation Deed sets out the terms and conditions of Accreditation.

(p) If SEW is entitled to act in its absolute discretion then:

(i) SEW is entitled to act as it considers appropriate and is not obliged to consider the interests of the Contractor;

(ii) SEW may impose any conditions it considers appropriate in relation to the exercise of the discretion (and clause 32.5 shall apply to any such conditions);

(iii) any obligation to act in good faith does not apply in respect of the exercise of the discretion;

(iv) the exercise of the discretion shall not be reviewable;

(v) SEW shall not be constrained from acting by any principle of common law or equity;

(vi) there shall be no time constraint on when SEW may exercise that discretion (unless such a constraint arises through the particular provision of this Accreditation Deed giving rise to the discretion); and

(vii) the Contractor shall have no claim against SEW in relation to the exercise of the discretion or the timing of the exercise of the discretion.

1.3 No Claim

Where, in this Accreditation Deed there is reference to the Contractor having ‘no claim’ against SEW then:
(a) the Contractor must not bring any Claim against SEW in relation to or in connection with the circumstances giving rise to the Claim;

(b) the Contractor releases SEW from any Claim which the Contractor has, or but for this provision may have had, against SEW in relation to or connection with the circumstances giving rise to the Claim whether that Claim arises through negligence, breach of contract or any other obligation or any other means; and

(c) the Contractor indemnifies SEW and will keep SEW indemnified in relation to any liability arising in connection with the circumstances giving rise to any such Claim.

2. Principles

SEW and the Contractor:

(a) recognise that all parties (SEW, the Developer, the Contractor and the Accredited Consultant) play a role in ensuring that SEW’s Requirements are met;

(b) will ensure that appropriate people from SEW and the Contractor (including Key Personnel as applicable) remain involved with the Works or Services;

(c) will respond in a reasonable time to any request from the other party, or from the Developer or the Accredited Consultant relating to the Works or Services;

(d) will work with integrity and mutual respect of both individuals and corporate objectives;

(e) will place a high value on the relationship between SEW and the Contractor;

(f) will endeavour to provide excellent service to SEW's customers.

3. SEW Obligations

SEW will:

(a) provide existing asset survey data to the Contractor within a reasonable period of time;

(b) audit compliance with SEW’s Requirements;

(c) develop clear open-communication lines;

(d) clearly articulate performance standards; and

(e) clearly articulate project scope and technical requirements.
4. Contractor Obligations

The Contractor will:

(a) perform the Works or Services according to the approved specifications provided by the Accredited Consultant, unless a variation is approved by the Accredited Consultant;

(b) take responsibility for and manage the risks of performing the Works or Services;

(c) develop clear open communication lines;

(d) provide a healthy and safe working environment;

(e) undertake a continuous improvement process for the delivery of the Works and Services in accordance with the Quality Management System; and

(f) undertake its responsibilities in accordance with Schedule 4.

5. Relationship between the parties

(a) The Contractor is not, and must not purport to act as the agent of SEW.

(b) This Accreditation Deed, and the arrangements resulting from this Accreditation Deed, do not give rise to a partnership or joint venture or any other relationship between the Contractor and SEW other than the contractual relationship established by this Accreditation Deed.

6. Accreditation

6.1 Accreditation

A Contractor may become Accredited under SEW’s Accreditation Scheme.

6.2 Process for Accreditation

A Contractor may become Accredited by:

(a) applying to SEW to be Accredited, such application being made through the lodging of an Accreditation Application by the Contractor with SEW;

(b) SEW, subject to the terms of the Accreditation Application, reviewing and granting Accreditation; and

(c) the Contractor executing this Accreditation Deed.
6.3 Duration of Accreditation

If a Contractor's Accreditation Status is Qualified then the Contractor's Accreditation will automatically expire 12 months after the date it is Accredited (or such earlier date as may result from the operation of this Accreditation Deed).

If a Contractor's Accreditation Status is Certified or Self Certified then the Contractor's Accreditation will automatically expire 24 months after the date it is Accredited (or such earlier date as may result from the operation of this Accreditation Deed).

A Contractor may be Re-Accredited under subclause 6.8.

A Contractor is Accredited:

(a) from the later of:

(i) the Commencement Date; and

(ii) the date of Re-Accreditation.

(b) until the earlier of:

(i) the expiration of the Accreditation Period; or

(ii) the cancellation of the Accreditation pursuant to paragraph 6.5(c), subclause 6.9, subclause 27.1 or subclause 28.6; or

(iii) any of the Accreditation Conditions not being satisfied.

6.4 Accreditation Conditions

(a) SEW may amend any of the Accreditation Conditions from time to time provided that no such amendment will impose any additional liability or constraint on the Contractor or be unreasonably burdensome on the Contractor.

(b) SEW will provide the Contractor with written notice of any amendment and a reasonable period to meet any amended Accreditation Conditions.

(c) The proviso in paragraph 6.4(a) does not apply in respect of any amendment which is made:

(i) with a view to ensuring that Works or Services are undertaken so as to meet the requirements of this Accreditation Deed;

(ii) in order to comply with standards, regulations, legislation, government policy, government direction, government strategy, good governance or protection of assets;

(iii) in response to any breach of this Accreditation Deed by the Contractor; or

(iv) with a view to ensuring that SEW is in a position to conveniently, effectively, consistently and reliably be satisfied that a Contractor is complying with the requirements of this Accreditation Deed.
6.5 Accreditation Application

(a) The Contractor warrants that the Accreditation Application and all information provided by the Contractor during the Application Process is accurate, complete, true and correct and is not misleading.

(b) The Contractor has no claim against SEW in relation to or in connection with the Application Process.

(c) If SEW becomes aware that there has been a breach of the warranty provided for in paragraph 6.5(a) then SEW may, in its absolute discretion, immediately cancel the Contractor’s Accreditation.

(d) Following the cancellation of the Contractor’s Accreditation pursuant to paragraph 6.5(c), subclause 27.4 shall apply.

6.6 Accreditation Status

The Contractor has the Accreditation Status set out in Item 3 of Schedule 1 or such other Accreditation Status as is determined through the operation of the Performance Regime, subclause 6.7, subclause 6.8 or paragraph 24.3(e).

6.7 Contractor’s Request for Change to Accreditation Status

(a) The Contractor may apply to have its Accreditation Status varied.

(b) Any application pursuant to paragraph 6.7(a) shall (except to the extent that any requirement may by waived by SEW in its absolute discretion) be in the same form as, include the same information as and be subject to the same requirements and conditions as the Accreditation Application.

(c) In requesting a variation to its Accreditation Status the Contractor agrees that it is bound by the terms of, and will comply with the provisions applicable to the Accreditation Application.

(d) SEW may deal with an application pursuant to paragraph 6.7(a) in the same manner as it was entitled to deal with the Accreditation Application.

6.8 Re-Accreditation

(a) A Contractor will be assessed and Re-Accredited for 24 months only if, as at 30 days prior to the expiration of the Accreditation Period,

(i) the relevant criteria in the Performance Regime are satisfied;

(ii) the relevant Accreditation Conditions are satisfied;

(iii) the Contractor is not in breach of this Accreditation Deed;

(iv) at the time of Re-Accreditation the Contractor’s Accreditation Status is Certified or Self Certified;
(v) if the Contractor has been subject to a SEW Systems Verification Audit, the Contractor has passed that SEW Systems Verification Audit and committed to any corrective or preventative actions; and

(vi) the Contractor has submitted a statutory declaration stating its compliance with the above requirements

(b) The Accreditation Status of the Contractor following Re-Accreditation pursuant to this subclause 6.8 is the same Accreditation Status as the Contractor held prior to Re-Accreditation or such other Accreditation Status as is determined through the application of the Performance Regime.

(c) If the Contractor is Re-Accredited pursuant to this subclause 6.8 then the Accreditation Period is extended by 24 months or a period determined by SEW.

6.9 Change in Circumstances

(a) If the Contractor becomes aware of the occurrence of any:

(i) circumstance or change in circumstance which materially adversely impacts on the ability of the Contractor to:

(A) undertake any Works or Services; or

(B) comply with this Accreditation Deed;

(ii) circumstance or change in circumstance which materially impacts a characteristic of the Contractor which was relied upon by SEW in providing the Contractor’s Accreditation.

then the Contractor must advise SEW in writing.

(b) If SEW becomes aware of the occurrence of any:

(i) circumstance or change in circumstance which materially impacts on the ability of the Contractor to:

(A) undertake any Works or Services; or

(B) comply with this Accreditation Deed;

(ii) circumstance or change in circumstance which materially impacts a characteristic of the Contractor which was relied upon by SEW in providing the Contractor’s Accreditation.

then SEW may issue a Show Cause Notice under clause 24.

6.10 Previous Accreditation Regime

(a) SEW’s previous accreditation regime is replaced in its entirety by this Accreditation Deed;

(b) The Contractor releases SEW from any claim which the Contractor has, or but for this Accreditation Deed, may have had against SEW in relation to the
previous accreditation regime or the process leading to the Contractor's Accreditation under this Accreditation Deed.

7. Consequence of Accreditation

7.1 No assurance of work

(a) SEW makes no representation to the Contractor that the Contractor will be offered to opportunity to undertake any Works or Services by reason of it being Accredited.

(b) The Contractor has no claim against SEW by reason of the Contractor not having the opportunity to undertake any Works or Services.

7.2 Others may be accredited

(a) SEW may accredit other Contractors and may accredit as many Contractors as it chooses.

(b) The Contractor has no claim against SEW by reason of SEW accrediting other Contractors.

8. Representatives

8.1 Contractor's Representative

(a) The Contractor must nominate a person to represent the Contractor in its dealings with SEW.

(b) The Contractor may, subject to approval of the nominee by SEW, by notice in writing to SEW, nominate a replacement Contractor’s Representative.

(c) SEW may not unreasonably withhold its approval of a replacement Contractor’s Representative.

(d) Matters within the knowledge of Contractor’s Representative shall be deemed to be within the knowledge of the Contractor.

(e) Any notice or other document given to or addressed to the Contractor’s Representative shall be deemed to be given to the Contractor.

8.2 SEW's Representative

(a) SEW must nominate one or more persons:

(i) to represent SEW in its dealings with the Contractor; and

(ii) to exercise some or all of the functions of SEW under the Accreditation Deed.
(b) **SEW** may, by notice in writing to the **Contractor**, nominate a replacement **SEW’s Representative**.

(c) **SEW** may nominate a position in **SEW** as being **SEW’s Representative**, rather than a named person.

(d) **SEW** must advise the **Contractor** in writing of the nomination of any **SEW’s Representative** and of any functions it is entitled to exercise.

(e) Not more than one **SEW’s Representative** shall be entitled to exercise the same function at the same time.

(f) The appointment of any **SEW’s Representative** shall not prevent **SEW** from exercising any function.

(g) Any action by **SEW’s Representative**, in relation to a function it is entitled to exercise (as advised in accordance with paragraph 8.2(d)), shall be taken to be an action of **SEW**.

### 9. Contractor's Obligations

#### 9.1 General Obligations

A **Contractor** must:

(a) comply with **SEW’s Administrative Process**;

(b) comply with the **Land Development Policies and Pricing Manual**;

(c) comply with the **Accreditation Conditions**;

(d) comply with any requirements relevant to the **Accredited Status** held by the **Contractor**;

(e) only undertake **Works** or **Services** (as is relevant to the **Contractor**) in the **Accredited Category**;

(f) only undertake **Works** or **Services** (as is relevant to the **Contractor**) as is permitted having regard to the **Accredited Status**;

(g) oversee the undertaking of **Works** or **Services** (as is relevant to the **Contractor**) as is required to be carried out pursuant to paragraph 9.1(h) for a period of 7 years; and

(h) conduct **Audits** of those **Works** or **Services** so that the **Contractor** can be satisfied that the **Works** or **Services** are in accordance with the requirements of this **Accreditation Deed**;

(i) keep records of any **Audits** required to be carried out pursuant to paragraph 9.1(h) for a period of 7 years; and

(j) administer this deed and the undertaking of the **Works** or **Services** (as is relevant to the **Contractor**); and
(k) notify SEW as soon as the Contractor becomes aware of a Reportable Circumstance.

9.2 Contractor's Resources

The Contractor must:

(a) maintain the resources, or have available to it the resources necessary to comply with its obligations under this Accreditation Deed;

(b) maintain the systems necessary to comply with its obligations under this Accreditation Deed; and

(c) maintain the management resources necessary to properly manage and oversee the discharge of its obligations under this Accreditation Deed.

9.3 Regulatory and Prudential Compliance

The Contractor must maintain all registrations, accreditations and approvals necessary for it to be entitled to undertake the relevant Works or Services (as is relevant to the Contractor).

9.4 Undertaking the Works or Services

Where the Contractor carries out Works or provides Services under this Accreditation Deed, the Works or Services must be carried out or provided:

(a) in accordance with this Accreditation Deed;

(b) with the due skill, diligence, prudence, foresight and care that would reasonably be expected from an experienced and competent contractor;

(c) in compliance with:

(i) all Legislative Requirements;

(ii) all Accreditation Conditions;

(iii) the OHS Law;

(iv) all Quality Standards;

(v) all SEW’s Requirements; and

(vi) the requirements of Authorities.

10. Change in Control

10.1 Consent required

If there is to be a Change in Control the Contractor must within 7 days of that Change in Control seek the consent of SEW.
10.2 **Actions required**

If there is to be a [Change in Control](#) the [Contractor](#) must within 7 days of that Change in Control demonstrate that the [Change in Control](#) will not adversely impact the [Contractor](#)'s ability to carry out the [Works](#) or perform the [Services](#).

10.3 **Consent not to be unreasonably withheld**

Provided that the [Contractor](#) has complied with clauses 10.1 and 10.2 [SEW](#) may not unreasonably withhold its consent.

10.4 **Absence of consent**

(a) If there is a [Change in Control](#) and the Contractor did not comply with clauses 10.1 and 10.2 then:

(i) the Contractor's Accreditation is suspended with effect from 7 days of the Change in Control; and

(ii) [SEW](#) is entitled to issue a Show Cause Notice.

(b) If there is a Change in Control and the Contractor complied with clauses 10.1 and 10.2 but [SEW](#) advises in writing that it does not consent to the Change in Control then:

(i) the Contractor's Accreditation is suspended with effect from receipt of SEW’s notice; and

(ii) SEW is entitled to issue a Show Cause Notice.

10.5 **Duration of suspension**

(a) If the [Contractor’s Accreditation](#) is suspended by reason of subclause 10.3 the suspension remains in effect until the earlier of:

(b) the cessation of the event which gave rise to the suspension;

(c) the expiration of the [Contractor’s Accreditation](#) by reason of subclause 6.3(b); and

(d) the cancellation of the [Contractor’s Accreditation](#) in accordance with this Deed.

10.6 **Consequences of suspension**

If the [Contractor’s Accreditation](#) is suspended in accordance with this clause 10, then, for the duration of the suspension, subclause 27.4 shall apply as if the [Accreditation](#) had been cancelled.

11. **Loss and Damage**

If loss or damage occurs to [SEW’s Assets](#), other than that loss or damage caused by [SEW](#), by reason of or in connection with the performance of the relevant [Works](#) or [Services](#), a breach of this
Accreditation Deed or any other action of the Contractor or the Contractor's Personnel, the Contractor must:

(a) as soon as practicable, inform SEW of the fact of that loss or damage and the circumstances resulting in the loss or damage;

(b) at its cost, rectify such loss or damage; and

(c) compensate SEW for that loss or damage and the consequences of the loss or damage.

12. Contractor's Warranties

12.1 The warranties

The Contractor warrants, represents and agrees that:

(a) it has the legal right and power to enter into this Accreditation Deed;

(b) all of its internal requirements necessary to enter into Accreditation Deed and to perform its obligations under this Accreditation Deed have been satisfied;

(c) it has disclosed whether any other Australian water authorities have raised any performance issues in relation to its conduct;

(d) it has disclosed whether it has been denied the opportunity to undertake work for any other Australian water authority for any reason;

(e) it has disclosed any situation whether it has had its entitlement to undertake work revoked, cancelled or suspended by any other Australian water authority;

(f) it has, and will maintain, the capacity to comply with its obligations under this Accreditation Deed;

(g) it will comply with the provisions of this Accreditation Deed.

12.2 Continuing and repeated warranties

The warranties and representations set out in subclause 12.1 of this Accreditation Deed are repeated on each day from the Commencement Date until the termination or expiration of this Accreditation Deed.

13. Indemnity

13.1 Provision of Indemnity

The Contractor indemnifies and must keep indemnified SEW in relation to any breach of this Accreditation Deed or any warranty provided for in this Accreditation Deed.
13.2 Reduction of Liability

The liability the Contractor pursuant to subclause 13.1 shall be reduced to the extent that any relevant loss, damage, cost, expense or liability was caused by or contributed to by SEW or a SEW Representative.

13.3 Limitation of Liability

(a) Subject to paragraph 13.3(b), the Contractor's liability to SEW arising directly or indirectly under or in connection with this Accreditation Deed or the performance or non-performance of this Accreditation Deed and whether arising under any indemnity, statute, in tort (for negligence or otherwise), or on any other basis in law or equity is limited to the amount set out in Item 12 of Schedule 1.

(b) Paragraph 13.3(a) does not limit the Contractor's liability to SEW in the event of:

(i) wilful misconduct; or
(ii) liability which cannot be limited at law; or
(iii) third party property loss or damage; or
(iv) personal injury or death of a person; or
(v) infringement of intellectual property rights; or
(vi) fraud; or
(vii) criminal activities; or
(viii) liability arising in connection with a breach of a statutory duty.

13.4 Indemnities

(i) loss of profit (but excluding SEW's loss of profit);
(ii) consequential loss;
(iii) liability to third parties; and
(iv) legal costs (on a solicitor own client basis) in respect of enforcing the indemnity or defending any claim brought by a third party in respect of a matter which is the subject of the indemnity;

(b) the indemnity is given in respect of any such loss damage or expense arising from or connected with the event or circumstance in respect of which the indemnity is given;
(c) the indemnity is a continuing obligation, separate and independent from the other obligations of the Contractor; and

(d) the indemnity survives the termination of this Accreditation Deed.

13.5 Payment

(a) SEW may, in good faith, assess the liability of the Contractor pursuant to subclause 13.1 and, upon that assessment being provided to the Contractor, it shall be a debt due and payable by the Contractor to SEW.

(b) The debt arising pursuant to paragraph 13.5(a):

(i) is payable upon the assessment being provided to the Contractor;

(ii) is provisional only; and

(iii) may be adjusted as a result of the Contractor taking proceedings to establish the final quantum of the liability.

(c) If the Contractor disagrees with SEW’s assessment it may dispute the assessment by following the dispute resolution process contained in clause 29.

14. Personnel

14.1 Key Personnel

The Contractor must ensure that the Key Roles are performed by the Key Personnel or any replacement of such person or persons authorised under subclause 14.2.

14.2 Replacement of Key Personnel

(a) The Contractor may, subject to SEW’s rights under subclause 14.2, replace Key Personnel without the prior written approval of SEW if the replacement person is of similar experience and expertise and holds similar skills, qualifications and competencies as the corresponding personnel as described in the Accreditation Application.

(b) If paragraph 14.2(a) applies:

(i) the relevant Key Personnel must be replaced by a person of at least equivalent skills, qualifications, competence, expertise and experience; and

(ii) the Contractor must advise SEW, in writing, of the name and details of the skills, qualifications, competence, expertise and experience of the replacement person and must do so within 10 Business Days of the replacement; and

(iii) SEW may refuse to approve the Key Personnel who have or are being appointed.
(c) If SEW notifies the Contractor that it refuses to approve the Key Personnel as provided for in paragraph 14.2(b)(iii) then the Contractor may nominate alternative personnel.

14.3 Qualification of Contractor’s Personnel

(a) The Contractor’s Personnel must:

(i) have the skills, qualifications, competence, expertise and experience required by this Accreditation Deed and appropriate to the undertaking of the Works or Services (as is relevant to the Contractor); and

(ii) hold all necessary registrations, authorisations, permits or consents necessary and appropriate to the undertaking of the relevant Works or Services.

(b) The Contractor must:

(i) only deploy or permit the deployment of Contractor’s Personnel who satisfy the requirements of paragraph 14.3(a) in undertaking the relevant Works or Services; and

(ii) ensure that any of the Contractor’s Personnel who undertake the relevant Works or Services satisfy the requirements of paragraph 14.3(a).

14.4 Responsibility for Personnel

(a) The Contractor is responsible for the Contractor’s Personnel and for the actions of the Contractor’s Personnel.

(b) The Contractor must ensure that all the Contractor’s Personnel are aware of, and comply with, the relevant obligations arising under this Accreditation Deed, the relevant requirements of this Accreditation Deed and SEW’s Requirements.

14.5 Removal of Personnel

The Contractor must, on the written request of SEW, promptly replace, or procure the replacement of, any of the Contractor’s Personnel engaged in connection with the relevant Works or Services if SEW, in its reasonable opinion, considers that:

(a) the person no longer has, or is no longer capable of deploying the relevant skills, competence, expertise and experience; or

(b) the person’s performance or conduct is, or has been, unsatisfactory in the context of the requirements relevant to Accreditation.

15. SEW’s Requirements

15.1 Compliance with SEW’s Requirements

The Contractor must comply with SEW’s Requirements.
15.2 Amendment of SEW’s Requirements

SEW may amend any of SEW’s Requirements from time to time as is necessary to comply with standards, regulations, legislation, and SEW business requirements including good governance and protection of assets. The Contractor will be given written notice and a reasonable period to meet these conditions.

15.3 Performance Improvement Reports

(a) If SEW becomes aware of any material deficiency, defect or non-compliance in relevant Works or Services then SEW may issue a Performance Improvement Report, without incurring any additional costs to SEW.

(b) The Contractor must, in relation to all Works or Services undertaken following the issue of an Performance Improvement Report comply with the Performance Improvement Report.

(c) The requirements of a Performance Improvement Report shall, thereafter, be regarded as obligations under this Accreditation Deed and be subject to the provisions of this Accreditation Deed as if they had been set out as obligations when this Accreditation Deed was first entered into.

(a) SEW does not give any warranty or make any representation as to the accuracy or completeness of any SEW Information.

20.3 No Claim

(a) The Contractor has no claim against SEW in relation to or in connection with any SEW Information.

20.4 Use of SEW Information

(a) The Contractor must not:
(i) use any SEW Information for any purpose other than the undertaking of the Works or Services (as is relevant to the Contractor); and

(ii) must not pass any SEW Information to any third party other than for the purpose of undertaking of the Works or Services.

(b) If the Contractor passes any SEW Information to any third party as permitted by paragraph 20.4(a)(ii) the Contractor must advise the recipient of that information of the matters set out in subclause 20.1 and subclause 20.2.

21. Intellectual Property

21.1 Contractor's obligations

The Contractor:

(a) warrants that the Works or Services (as is relevant to the Contractor) and the Works Information will not infringe the Intellectual Property Rights of any third party;

(b) grants to SEW an irrevocable, perpetual, royalty free, unconditional licence to use the Works or Services (as is relevant to the Contractor) and the Works Information in whatever reasonable manner SEW finds convenient in respect of conducting its business and discharging its obligations; and

(c) warrants that it is able to grant the licence provided for in paragraph 21.1(b).

21.2 SEW's intellectual property

(a) The Contractor acknowledges that the provision to it of any of SEW’s Information does not give to the Contractor any Intellectual Property Rights in that information (other than in respect of the licence granted in paragraph 21.2(b)).

(b) SEW grants to the Contractor a royalty free licence to use SEW's Information for the purpose of undertaking the Works or Services.

22. Confidentiality

22.1 Use of SEW Confidential Information

The Contractor:

(a) must only use SEW Confidential Information solely for the purpose of undertaking of the Works or Services;

(b) must not disclose SEW Confidential Information other than as permitted in this Accreditation Deed;
(c) must only disclose SEW Confidential Information to persons who:

(i) are aware and agree that the SEW Confidential Information must be kept confidential; or

(ii) have signed any confidentiality deed required by SEW from time to time, and either:

(iii) has a need to know (and only to the extent that each has a need to know); or

(iv) has been approved by SEW from time to time;

(d) must ensure that the Contractor's Personnel keep confidential all SEW Confidential Information, other than in circumstances where disclosure is permitted by this Accreditation Deed; and

(e) must ensure that the Contractor's Personnel only use SEW Confidential Information solely for the purpose of undertaking of the Works or Services.

22.2 Use of Contractor Confidential Information

(a) SEW:

(i) must not disclose Contractor Confidential Information other than as permitted in this Accreditation Deed; and

(ii) must ensure that the SEW's Representative keeps confidential all Contractor Confidential Information, other than in circumstances where disclosure is permitted by this Accreditation Deed.

(b) SEW is permitted to share Contractor Confidential Information associated with this Accreditation Deed or the Performance Regieme with Yarra Valley Water and City West Water and Victorian Government bodies.

22.3 Breach of Confidence

(a) The Contractor must immediately notify SEW of any suspected or actual unauthorised use, copying or disclosure of SEW Confidential Information.

(b) The Contractor must provide assistance reasonably requested by SEW in relation to any proceedings SEW may take against any person for unauthorised use, copying or disclosure of SEW Confidential Information.

(c) The Contractor acknowledges that damages will not be an adequate remedy in relation to any breach of this clause 22 and that SEW will be entitled to take injunctive proceedings in relation to, or to prevent any such breach.

22.4 Limit of obligations

The obligations in this clause 22 do not apply to:

(a) information already in the public domain (other than as a result of a breach of this clause 22);
(b) any disclosure required by the listing rules of the Australian Stock Exchange; or
(c) any disclosure required by law.

22.5 Survival
The obligations in this clause 22 survive the termination or expiration of this Accreditation Deed.

23. Performance Regime

23.1 Application of regime
The Contractor acknowledges that its performance in relation to the Works or Services and compliance with this Accreditation Deed will be monitored and assessed in accordance with the Performance Regime.

23.2 Consequences of regime
The Contractor acknowledges that the application of the Performance Regime may result in:

(a) the Contractor's Accreditation Status being altered;
(b) a Show Cause Notice being issued;
(c) the Contractor being the subject of Intensive Auditing;
(d) the Contractor's Accreditation being suspended;
(e) the Contractor's Accreditation being terminated;
(f) the imposition of additional or amended Accreditation Conditions; or
(g) any combination of the above matters.

23.3 SEW assessment

(a) SEW may apply the Performance Regime and make an assessment under the Performance Regime at any time that SEW considers appropriate.

(b) The poorest performers may be required to provide a system rectification plan and may be subject to continued performance management by SEW.

(c) SEW may issue a Show Cause Notice

24. Show Cause Notice

24.1 Service of notice

(a) SEW may issue a notice to show cause (Show Cause Notice) to the Contractor if:
(i) the Contractor is in breach of this Accreditation Deed;
(ii) any warranty given by the Contractor under this Accreditation Deed is breached;
(iii) an Intensive Audit has been implemented for a period in excess of 3 months or is implemented for a second time in any period of 24 months; or
(iv) the issue of such a notice is provided for in the Performance Regime;
(v) the Contractor does not provide an adequate rectification plan under clause Error! Reference source not found.; or
(vi) the issue of such a notice is provided for in this Accreditation Deed.

(b) The Show Cause Notice must:
(i) state that it is a notice under this subclause 24.1;
(ii) set out the circumstances relied upon in relation to the notice; and
(iii) set out the time within which the Contractor must show cause (which time must not be less than 5 Business Days from the date of the Show Cause Notice).

24.2 Response to notice
(a) Upon receipt of a Show Cause Notice, the Contractor must provide a response to the notice within the time required.

(b) The Contractor's response must:
(i) set out the reasons for the breach occurring or circumstance arising;
(ii) identify what steps the Contractor will take in order to ensure that the breach or circumstance ceases;
(iii) identify what steps the Contractor will take in order to prevent the breach or circumstance occurring again in the future;
(iv) describe the steps the Contractor proposes to take in order to rectify and resolve the effects of the breach or the circumstance; and
(v) set out reasons why SEW should not take further action under this Accreditation Deed in relation to the breach or circumstance.

24.3 Consideration of notice
Upon receipt of a response from the Contractor as contemplated by subclause 24.2 SEW may, in its absolute discretion, advise the Contractor as to whether SEW:
(a) intends to terminate the Contractor's Accreditation;
(b) considers that the response does not adequately address the matters required to be addressed under subclause 24.2;
(c) intends to implement an intensive Audit under clause 26.6;
(d) intends to permit the Contractor's Accreditation to remain;

(e) intends to permit the Contractor's Accreditation to remain but at a different Accreditation Status;

(f) intends to permit the Contractor's Accreditation to remain subject to certain conditions;

(g) intends to permit the Contractor's Accreditation to remain subject to the Contractor being placed on Probation; or

(h) intends to terminate the Accreditation Deed.

24.4 Inadequate response

(a) If SEW advises the Contractor that it considers that the response does not adequately address the matters required to be addressed under subclause 24.2 then SEW may, in its absolute discretion:

(i) call for the Contractor to again respond as required subclause 24.2; or

(ii) elect to follow one of the other options set out in subclause 24.3.

(b) If SEW calls for the Contractor to again respond as required subclause 24.2 the Contractor must do so within the time directed by SEW.

(c) Subclause 24.3 and subclause 24.4 shall continue to apply until SEW considers that the response does adequately address the matters required to be addressed under subclause 24.2 or until SEW has elected to follow one of the other options set out in subclause 24.3.

24.5 Compliance with Response

If SEW advises the Contractor that it intends to permit the Contractor's Accreditation to remain (with or without conditions) as contemplated by paragraph 24.3(d) or paragraph 24.3(f) then:

(a) the Contractor must, thereafter, take the steps, and continue to take the steps, set out in the response from the Contractor (being the steps described in paragraphs 24.2(b)(ii), 24.2(b)(iii) and 24.2(b)(iv)); and

(b) the steps referred shall, thereafter, be regarded as obligations under this Accreditation Deed and be subject to the provisions of this Accreditation Deed as if they had been set out as obligations when this Accreditation Deed was first entered into.

24.6 Change in Accreditation Status

If SEW advises the Contractor that it intends to permit the Contractor's Accreditation to remain but at a different Accreditation Status, as contemplated by paragraph 24.3(e) then as from the date of receipt or deemed receipt of that advice:

(a) the Contractor is only entitled to undertake the Works or Services permitted to be undertaken in respect of that Accreditation Status; and
24.7 Conditions
If SEW advises the Contractor that it intends to permit the Contractor's Accreditation to remain with conditions, as contemplated by paragraph 24.3(f) then:

(a) the Contractor must, thereafter, comply with those conditions; and
(b) the conditions shall, thereafter, be regarded as Accreditation Conditions and be subject to the provisions of this Accreditation Deed as if they had been set out as Accreditation Conditions when this Accreditation Deed was first entered into.

24.8 Validity of notice
A Show Cause Notice shall not be regarded as ineffective or invalid by reason of any deficiency in the information required to be given under subclause 24.1 and substantial compliance with subclause 24.1 shall be sufficient.

25. Performance Discussion

25.1 Deferral of Show Cause Notice
If SEW is entitled to issue a Show Cause Notice then SEW may, in its absolute discretion, defer the issuing of the Show Cause Notice and invite the Contractor:

(a) to participate in a discussion with SEW in relation to the Contractor’s performance under this Accreditation Deed;
(b) to provide an undertaking as to the future performance of the Contractor; or
(c) to do a combination of the above.

25.2 Undertakings and conditions

(a) SEW may, in its absolute discretion, accept an undertaking as to the future performance from the Contractor.

(b) The undertaking may set out conditions which the Contractor agrees to abide by in the future.

(c) If any undertaking sets out conditions as provided for in paragraph 25.2(b) then:

(i) the Contractor must, thereafter, comply with those conditions; and
(ii) the conditions shall, thereafter, be regarded as Accreditation Conditions and be subject to the provisions of this Accreditation Deed as if they had been set out as Accreditation Conditions when this Accreditation Deed was first entered into.

(d) Any undertaking given by the Contractor as provided for in paragraph 25.2(b):
(i) must be adhered to by the Contractor; and

(ii) shall, thereafter, be regarded as obligations under this Accreditation Deed and be subject to the provisions of this Accreditation Deed as if they had been set out as obligations when this Accreditation Deed was first entered into.

25.3 Duration of deferral

(a) SEW may defer the issuing of the Show Cause Notice for the period of time it, in its absolute discretion, considers appropriate.

(b) If SEW has not accepted an undertaking prior to the expiration of the period of time referred to in paragraph 25.3(a) then SEW will be free to issue the Show Cause Notice.

26. Auditor

26.1 Right to Appoint

SEW may appoint an Auditor if:

(a) SEW has become entitled to do so by reason of paragraph 24.3(c);

(b) the appointment of a Performance Auditor is provided for in the Performance Regime; or

(c) SEW notifies the Contractor that it intends to carry out a SEW Systems Verification Audit.

26.2 Role of an Auditor

The role of the Performance Auditor is:

(a) to monitor the performance of the Works or Services (as is relevant to the Contractor) and compliance with this Accreditation Deed by the Contractor; and

(b) to report to SEW on the matters referred to in paragraph 26.2(a),

(c) with a view to ensuring that the circumstances giving rise to the appointment of the Performance Auditor cease to exist and will not arise again in the future.

26.3 Cooperation with the Auditor

The Contractor must:

(a) cooperate fully with the Auditor;

(b) allow the Auditor access to all relevant records and premises reasonably requested by the Auditor; and

(c) not obstruct the Auditor in the performance of its role.
26.4 Auditor

The Auditor may be an employee of SEW or a nominee of SEW and must be suitably trained and qualified having regard to the scope, depth and type of the Audit.

26.5 Cost of the Auditor

(a) The cost of the Auditor will be borne by SEW unless Intensive Auditing is implemented;

(b) If Intensive Auditing is implemented the Contractor must, within 20 Business Days of each request by SEW, reimburse SEW all costs associated with the engagement, management and reporting of the Auditor undertaking the Intensive Audit;

(c) If the Auditor is an employee of SEW the cost the subject of paragraph 26.5(a) includes the amount set out in Item 9 of Schedule 1 in respect of that employee.

26.6 Intensive Audits

(a) In an Intensive Audit, SEW will adopt a role of quality control and inspect the Works or Services at predetermined points. Intensive Audits of Works or Services will be implemented where SEW no longer has confidence in the Contractor’s Quality Management System meeting SEW’s Requirements.

(b) Intensive Audits will normally only cover those aspects of the Accreditation Deed where the quality cannot be assured. For example, SEW may implement an Intensive Audit of only the construction, if the design processes are functioning correctly.

(c) Where non-conformance is widespread or significant enough to affect the quality of the entire Accreditation Deed, SEW will implement Intensive Auditing of all aspects of the Works or Services. If SEW determines that an Intensive Audit is required of the design, construction or survey of the Works or Services, the appropriate party must pay an Intensive Audit fee.

(d) The Intensive Audit fee is determined as set out in the Land Development Pricing and Policy Manual.

26.7 Duration of the Intensive Audit

(a) The Auditor shall continue to perform its role until SEW is satisfied in its absolute discretion that the need for the Auditor is no longer present.
27. Termination of Accreditation

27.1 Termination of Accreditation

**SEW** may cancel the **Contractor’s Accreditation** without giving notice to the **Contractor** if:

(a) a **Show Cause Notice** has been served on the **Contractor** and the **Contractor** has not responded as required by subclause 24.2; or

(b) a **Show Cause Notice** has been served on the **Contractor** and **SEW** has advised that it intends to terminate the **Accreditation Deed** as contemplated by paragraph 24.3(a); or

(c) the **Contractor** fails to take a step or continue to take a step the subject of subclause 24.5; or

(d) the **Contractor** fails to comply with a condition the subject of subclause 24.6; or

(e) an **Intensive Audit** has been implemented for a period in excess of 3 months or on more than two occasions during a period of 24 months.

27.2 Timing of termination

(a) If **SEW** is to terminate the **Contractor’s Accreditation** under subclause 27.1 it may, in the notice to the **Contractor**, nominate a future date upon which the termination is to take effect. The **Accreditation** will be terminated upon that date.

(b) If no such date is nominated then the **Accreditation** is terminated from the date of receipt, or deemed receipt, of the notice.

(c) No new jobs can be taken on beyond the future date upon which the termination is to take effect.

27.3 Termination of Accreditation

The **Contractor’s Accreditation** ceases as provided for in paragraph 6.3(b), being in the following circumstances:

(a) the expiration of the **Accreditation Period**; or

(b) any of the **Accreditation Conditions** not being satisfied.

27.4 Consequences of termination

If the **Contractor’s Accreditation** is cancelled under paragraph 6.5(c) or subclause 27.1 or ceases as noted in subclause 27.3 then the **Contractor**:

(a) may complete any of the **Works** or **Services** it then has underway (unless **SEW** directs the **Contractor** to immediately cease undertaking all **Works** or **Services**);

(b) must, if so directed by **SEW** immediately cease undertaking all **Works** or **Services** (except to the extent necessary to make any safe any circumstance which would otherwise be unsafe);
(c) must not commence the undertaking of any further Works or Services; and

(d) cannot apply for Accreditation until after a 12 month period has elapsed since the cancellation the Contractor's Accreditation, unless otherwise agreed by SEW.

28. Suspension of Accreditation

28.1 Entitlement to suspend

If SEW is entitled to terminate the Contractor's Accreditation then SEW may, in its absolute discretion, suspend the Contractor's Accreditation as an alternative to termination of the Contractor's Accreditation.

28.2 Immediate suspension

(a) If SEW forms the view that it is prudent, in order to prevent any loss or damage or injury the subject of clause 11 or a material or repeated breach of this Accreditation Deed, to immediately suspend the Contractor's Accreditation then SEW may issue a notice to the Contractor suspending the Contractor's Accreditation from a time and date nominated in the notice.

(b) The Contractor's Accreditation is suspended from the time and date nominated in the notice delivered pursuant to paragraph 28.2(a).

(c) As soon as practicable following the delivery of a notice pursuant to paragraph 28.2(a), SEW shall deliver a Show Cause Notice or take any other steps it is entitled to take in circumstances where it is entitled to deliver a Show Cause Notice.

(d) If SEW does not deliver a Show Cause Notice or take any other steps it is entitled to take in circumstances where it is entitled to deliver a Show Cause Notice within 5 Business Days of the delivery of a notice pursuant to paragraph 28.2(a) then the suspension ceases.

28.3 Duration of suspension

If SEW suspends the Contractor's Accreditation then SEW may:

(a) suspend the Accreditation for a defined period of time;

(b) suspend the Accreditation until certain specified conditions are satisfied; and

(c) nominate a maximum permitted duration for the suspension.

28.4 Consequences of suspension

If the Contractor's Accreditation is suspended in accordance with clause 28, then, for the duration of the suspension, subclause 27.4 shall apply as if the Accreditation had been cancelled.
28.5 Conditions

(a) If SEW suspends the Accreditation until certain specified conditions are satisfied and those conditions are satisfied then:

(b) upon satisfaction of the conditions SEW will give notice to the Contractor that the suspension has ceased and the suspension shall cease from the date of the notice;

(c) the Contractor must, thereafter, comply with those conditions; and

(d) the conditions shall, thereafter, be regarded as Accreditation Conditions and be subject to the provisions of this Accreditation Deed as if they had been set out as Accreditation Conditions when this Accreditation Deed was first entered into.

28.6 Maximum duration

(a) If a maximum permitted duration is specified for a suspension as contemplated by paragraph 28.3(c) then if the suspension has not ceased by the expiration of the duration then Contractor's Accreditation is automatically terminated.

29. Dispute Resolution

29.1 Dispute process

(a) The parties must follow this clause 29 in relation to any dispute or difference that arises between the parties which is in any way connected with this Accreditation Deed or the undertaking of the Works or Services (as is relevant to the Contractor) (dispute).

(b) The parties may not commence litigation in relation to any dispute (other than for urgent relief) unless and until it becomes entitled to do so under this clause 29.

(c) The parties must continue to comply with this Accreditation Deed notwithstanding the existence of a dispute.

29.2 Prevention by collaboration

The parties will seek to prevent any dispute from arising by constant collaboration.

29.3 Notice of Dispute

Any party wishing to progress the dispute must deliver by hand or certified mail to the other party, a written notice of dispute, which adequately identifies and provides details of the dispute (notice of dispute).

29.4 Parties to meet

If a party issues a notice of dispute under 29.3 and the dispute is not able to be resolved by the Contractor's Representative and SEW's Representative within 14 days, the nominated senior
executive officer (or equivalent) of each of SEW (on the one hand) and the Contractor (on the other hand) will promptly meet and discuss in good faith with a view to resolving such Dispute.

29.5 Mediation

(a) If any dispute is unable to be resolved in accordance with clause 29.4 within 14 days, the parties agree to endeavour in good faith to settle the dispute by mediation administered by the Australian Commercial Disputes Centre (the ACDC) before having recourse to arbitration or litigation.

(b) The mediation will be conducted in accordance with the mediation guidelines of ACDC (the Guidelines) which set out the procedures to be adopted, the process of selection of the mediator and the costs involved and the terms of those Guidelines are incorporated in this Accreditation Deed.

29.6 Arbitration or litigation

(a) If the parties fail to settle any dispute in accordance with clause 29.5 the parties may agree to submit the dispute for resolution to final and binding arbitration under the Rules of Arbitration of the Institute of Arbitrators and Mediators Australia by one or more arbitrators appointed in accordance with those rules.

(b) If the parties do not agree to refer the Dispute to arbitration in accordance with clause 29.6(a), either party may submit the dispute for resolution to the exclusive jurisdiction of the Courts of Victoria, Australia.

29.7 Performance during dispute resolution

The parties to a dispute will continue to perform their respective obligations under this Accreditation Deed, pending the resolution of a dispute under this clause 29.

29.8 Interlocutory relief

Nothing in this clause 29 is to be taken as preventing any party to a dispute from seeking interlocutory relief in respect of such dispute.

29.9 Parties Obligations

The parties must use their reasonable efforts to resolve the dispute through the process described in this clause 29, including arranging and attending meetings to discuss the dispute.

29.10 Survival

This clause 29 survives the termination or expiration of this Accreditation Deed.
30. Audit

30.1 Retention of documents and records
The Contractor must keep all documents and records relating to the performance of the obligations under this Accreditation Deed and must do so for a period of 7 years after the expiration or termination of this Accreditation Deed.

30.2 Entitlement to undertake audit
The Contractor must allow SEW, or a nominee of SEW, to inspect the documents and records to which subclause 30.1 applies and to conduct an Audit of those documents and records if requested to do so by SEW.

31. Notices

31.1 Application of clause
In this clause 31 reference to notice means a notice, consent, approval or other communication.

31.2 Requirements for Notices
Any notice given under or in relation to this Accreditation Deed must:

(a) be in writing;
(b) be signed by or on behalf of the party giving the notice;
(c) be delivered to each of SEW's Representative and the Contractor's Representative;
(d) comply with the requirements of this Accreditation Deed;
(e) be delivered as provided for in this Accreditation Deed; and
(f) state on the face of the notice:
   (i) that it is a notice pursuant to this Accreditation Deed; 
   (ii) which clause or clauses of this Accreditation Deed the notice relates to; and
   (iii) what issue or issues the notice relates to.

31.3 Non compliance with requirements
If a notice does not comply with this clause 31, it cannot be relied upon and will not be taken to be a valid notice under this Accreditation Deed.

31.4 Mode of Service
A notice may be served by:

(a) hand;
(b) post;
(c) facsimile; or
(d) electronic mail.

31.5 Address for Service

(a) The addresses for service (including the facsimile number) are set out in Item 8 and Item 10 of Schedule 1.

(b) The address for service (including the facsimile number or e-mail) may be varied by a party upon the giving of notice in writing of that variation.

(c) A notice must be given to the address for service (including the facsimile number) or by hand.

31.6 Time of Service

A notice will be taken to have been delivered as follows:

(a) where the notice is permitted to be delivered by hand and is delivered by hand, when it has been delivered to the address of the addressee provided for in this Accreditation Deed in which case it shall be deemed to have been given upon delivery;

(b) where the notice is permitted to be sent by post and is sent by post, when it has been sent by pre-paid ordinary post to the address provided for in this Accreditation Deed, in which case it shall be deemed to have been given on the third Business Day after posting; or

(c) where the notice is permitted to be sent by facsimile, when it has been transmitted to the facsimile number of the addressee provided for in this Accreditation Deed in which case if, at the conclusion of the transmission, the sender’s facsimile machine issues a transmission report which indicates that the relevant number of pages in the notice have been successfully transmitted it shall be deemed to have been given:

(i) if transmission was successfully completed before 4.00 pm on a Business Day, on the day it was sent; and

(ii) otherwise on the next Business Day.

(d) in the case of electronic mail, if the receiving party has agreed to receipt in that form under the Agreement or a Purchase Order Contract, and the message is correctly addressed to and successfully transmitted to that party’s electronic mail address (e-mail address), when the sender receives confirmation on its server that the message has been transmitted.

31.7 Validity of Notice

A notice is valid even if the intended recipient does not receive it or it is returned unclaimed to the sender provided it is sent in accordance with this Accreditation Deed.
32. Miscellaneous

32.1 Governing Law

This Accreditation Deed is governed by the laws of Victoria.

32.2 Jurisdiction

Each party submits to the exclusive jurisdiction of the courts exercising jurisdiction in Victoria and any courts that may hear appeals from such courts and waives any right it might have to claim that those courts are an inconvenient forum.

32.3 Entire Deed

This Accreditation Deed:

(a) constitutes the entire agreement between the parties as to its subject matter; and

(b) supersedes all prior understandings or agreements between the parties and any prior condition, warranty, indemnity or representation imposed, given or made by a party in connection with that subject matter.

32.4 Alteration

This Accreditation Deed may only be altered or varied in writing signed by the parties.

32.5 Consents and conditions

(a) Where SEW is called upon, or is able to give any approval or consent or exercise any discretion pursuant to this Accreditation Deed SEW may:

(i) give the approval or consent or exercise any discretion;

(ii) not give the approval or consent or exercise any discretion; or

(iii) give the approval or consent or exercise any discretion subject to conditions.

(b) Where SEW gives any approval or consent or exercises any discretion subject to conditions:

(i) the approval or consent or exercise of the discretion shall not be taken to be given or the discretion exercised until the conditions are fulfilled;

(ii) the person enjoying the benefit of the approval or consent or exercise of the discretion must comply with or fulfil the conditions;

(iii) if, at any time, the person enjoying the benefit of the approval or consent or exercise of the discretion (the Approval) fails to comply with or fulfil the conditions or is otherwise in breach of the conditions, the Approval will be void from the beginning and matters as between SEW and the Contractor will be as if the Approval had not been given (save that SEW will continue to enjoy the benefit of any compliance with the conditions).
32.6 Contractor's breach

(a) Any breach of this Accreditation Deed by the Contractor shall be taken to be committed afresh each day until the breach ceases.

(b) SEW’s rights in relation to any breach of this Accreditation Deed by the Contractor shall accrue afresh each day until the breach ceases.

(c) No indulgence or delay by SEW shall prejudice SEW in the exercise of its rights or be taken to be an election by SEW.

32.7 Cumulative rights

Any specific right or remedy provided in this Accreditation Deed will not be exclusive but will be cumulative of all other rights and remedies provided by law, agreement or otherwise.

32.8 Survival

The Continuing Provisions are independent and survive the termination or expiration of this Accreditation Deed.

32.9 Waiver

A party does not waive a right, power or remedy if it fails to exercise or delays in exercising the right, power or remedy. A single or partial exercise of a right, power or remedy does not prevent another or further exercise of that or another right, power or remedy. A waiver of a right, power or remedy must be in writing and signed by the party giving the waiver.

32.10 Severance

A term or part of a term of this Accreditation Deed that is illegal or unenforceable may be severed from this Accreditation Deed and the remaining terms or parts of the term of this Accreditation Deed continue in force.

32.11 Counterparts

This Accreditation Deed may be executed in counterparts. All executed counterparts constitute one document.

32.12 Relationship

Except where this Accreditation Deed expressly states otherwise, it does not create a relationship of employment, trust, agency or partnership between the parties.

32.13 Costs

Each party must pay its own costs of negotiating, preparing and executing this Accreditation Deed.

32.14 Inconsistency with other documents

If this Accreditation Deed is inconsistent with any other document or agreement between the parties, this Accreditation Deed prevails to the extent of the inconsistency.
32.15 Amendment

This Accreditation Deed can only be amended or replaced by another document signed by the Contractor and SEW.

32.16 Assignment or Novation

The Contractor may not assign, novate, transfer, dispose of, declare a trust over or otherwise create an interest in its right under this Accreditation Deed without the prior written consent of SEW.

32.17 Privacy

The Accreditation Status of consultants and contractors will be publicly available on the SEW website. SEW reserves the right to share Audit information with Yarra Valley Water and City West Water and Victorian Government bodies. Contractors will not have access to the detailed Audit information of parties other than themselves.

Schedule 2 – Accreditation Conditions

The Contractor was Accredited subsequent to submitting the Accreditation Application, which is has declared to be true to the best of its knowledge.

In order for the Contractor to remain Accredited it must:

(a) comply with the Performance Regime;
(b) comply with SEW’s Requirements;
(c) comply with this Accreditation Deed;
(d) comply with the requirements of the Accreditation Application; and
(e) inform SEW if any information provided in the Accreditation Application changes.

If necessary SEW may impose further conditions on the Contractor for it to maintain its Accreditation, including (for example only) further Auditing requirements.
Schedule 3 – SEW’s Requirements

1. Change Events
   If a Change Event occurs the Contractor must notify SEW within 5 business days.

2. Compliance with Codes, Manuals and Specifications
   The Contractor must comply with the following (listed in order of precedence):
   1) Relevant SEW technical codes;
   2) Melbourne Retail Water Agency Standards (MRWA) codes, supplements and specifications;
   3) Water Services Association of Australia (WSAA) codes and specifications;
   4) Water Industry Technical Standards (WITS);
   And other documents:
   (a) AS4801 OH&S Management System or the Civil Construction Management Code (CCF), whichever standard the Contractor is certified to;
   (b) ISO 9001 Quality Management Systems or the Civil Construction Management Code (CCF), whichever standard the Contractor is certified to;
   (c) ISO 14001 Environmental Management System or the Civil Construction Management Code (CCF), whichever standard the Contractor is certified to;
   (d) Australian Standards; and
   (e) the Model Workplace Relations Management Plan under the Implementation Guidelines to the Victorian Code of Practice for the Building and Construction Industry provided by the Department of Treasury and Finance to the extent that the code is applicable to the Works or Services;
   (f) SEW’s Land Development Pricing and Policy Manual;
   (g) MRWA (products) WebPortal

3. SEW’s Administrative Process

3.1 Documents called for by SEW’s Administrative Process
   (a) The Contractor must complete all the documents which SEW’s Administrative Process calls for the Contractor to complete and must do so within the time provided for in SEW’s Administrative Process.
(b) The Contractor warrants that:

(i) it will take care in completing the documents referred to in paragraph 3.1(a);

(ii) the documents which it completes which are referred to in paragraph 3.1(a) will be accurate and complete and will not be misleading; and

(iii) it will not complete such documents unless it has sufficient knowledge of the circumstances the subject of the documents to enable it to complete those documents in accordance with this paragraph 3.1.

3.2 Content of SEW’s Administrative Process

(a) SEW’s Administrative Process may contain or describe:

(i) obligations to be discharged by the Contractor;

(ii) actions to be undertaken by the Contractor;

(iii) preconditions to certain events occurring or steps being taken; and

(iv) consequences of certain events occurring or steps being taken (including consequences in the nature of releases, warranties or indemnities).

(b) The obligations, actions, preconditions and consequences referred to in paragraph 3.2 and the other content of SEW’s Administrative Process will be given effect to between the parties as if they were included in and restated in this Accreditation Deed.

4. Management Systems

4.1 Preparation of Management Systems

(a) The Contractor must prepare the Management Systems to support the performance of the Contractor’s obligations under this Accreditation Deed.

(b) The Contractor must retain a copy of any such Management System and have it available for inspection by SEW upon request.

(c) If the Contractor amends any of the Management Systems and that change has a material impact on the manner in which the Contractor carries out the Works or performs Services, the Contractor must forthwith advise SEW of the changes and upon SEW’s request provide a copy of the amended system to SEW and to all relevant parties on the site where the Works or Services are being undertaken.

4.2 Compliance with Management Systems

The Contractor must maintain and consistently implement the Management Systems.

4.3 Requirements for Management Systems

The Management Systems must:

(a) comply with any relevant Legislative Requirements;
(b) comply with the OHS Law;
(c) be certified by an accredited JAS-ANZ certifying body to the following standards:
   (i) AS 4801(OH&S Management System);
   (ii) ISO 9001 (Quality Management System); and
   (iii) ISO 14001(Environmental),
   or alternatively the Civil Construction Management Code (CCF);
(d) not prescribe a lesser standard or requirement than the corresponding standard or requirement in any of the relevant SEW’s Requirements;
(e) support compliance with and the implementation of the relevant SEW’s Requirements;
(f) to the extent relevant in relation to the particular plan, describe how the Contractor will manage the undertaking of the Contractor’s obligations under this Accreditation Deed in accordance with this Accreditation Deed;
(g) to the extent relevant in relation to the particular plan, describe how the Contractor will undertake the Works or Services (as is relevant to the Contractor) in accordance with this Accreditation Deed;
(h) describe how the Contractor will satisfy all relevant Legislative Requirements;
(i) describe how the Contractor will provide evidence that it has complied with its obligations under this Accreditation Deed;
(j) contain a mechanism which will result in management of the Contractor being informed, in a timely manner, of any non-compliance with a requirement of this Accreditation Deed;
(k) contain a mechanism which will result in the recording of any non-compliance with a requirement of this Accreditation Deed, the circumstances giving rise to that non-compliance, the steps taken to address that non-compliance and the steps taken to prevent the non-compliance recurring in the future; and
(l) be capable of being Audited to demonstrate the compliance of the Management Systems with the requirements of this Accreditation Deed and the performance of the Works or Services (as is relevant to the Contractor) in accordance with this Accreditation Deed.

4.4 Inadequate Management Systems

If SEW forms the view that any of the Management Systems do not comply with this clause 4, and the Contractor is advised of this view and the reasons for this view, then the Contractor may amend the relevant plans so that the Management Systems do comply with this clause 4. If the Contractor does not amend the relevant Management System so that the it does comply with this then there may be a consequence under the Performance Regime.
4.5 Documents
(a) The Contractor must retain all data, document and records relevant to the Management Systems for a period of 7 years after the completion of the relevant or Services (as is relevant to the Contractor).
(b) The Contractor must provide SEW with copies of any data, documents and records relevant to the Management Systems if requested to do so by SEW.

4.6 Audit of Management Systems
The Contractor must allow SEW, or a nominee of SEW, to conduct an Audit of any of the Management Systems if requested to do so by SEW.

4.7 Additional Obligations
The obligations under paragraph 4.5 and paragraph 4.6 are in addition to the obligations under subclause 17.1 of the Accreditation Deed.

5. Quality

5.1 Status of the Quality Management System
The Quality Management System is a Management System and clause 4 of this Schedule 3 applies to the Quality Management System.

5.2 Requirements for Quality Management System
(a) The Quality Management System must (in addition to complying with the requirements of clause 4 of this Schedule 3 of this Accreditation Deed):
(b) not prescribe a lesser standard or requirement than the corresponding standard or requirement otherwise required to be achieved by this Accreditation Deed; and
(c) be capable of recording the quality of the performance of the Works or Services (as is relevant to the Contractor).

5.3 Deficiencies
(a) If the Contractor becomes aware of any deficiency or non-compliance in relevant Works or Services then the Contractor must advise SEW of that deficiency or non-compliance as soon as practicable.
(b) If SEW becomes aware of any deficiency or non-compliance in relevant Works or Services then SEW may:
   (i) make good the deficiency or non-compliance in, which case the cost of such making good shall be a debt due and payable by the Contractor to SEW; and
   (ii) direct the Contractor to make good the deficiency or non-compliance within the time and in the manner noted in the direction, in which case the Contractor must comply with that direction.
Schedule 4 – Key Personnel

1. Key Roles

The Key Roles are:

Construction Supervisor

2. Construction Supervisor

The Construction Supervisor functions include, but are not limited to, the following services:

(a) to be an ‘Accredited Key Personnel’ Construction Supervisor and is prepared, and appropriately qualified, to undertake each of the obligations of the Construction Supervisor set out in this document;

(b) properly supervise all construction activities for the Works;

(c) ensure that the Works are undertaken in a safe manner and that the requirements of all Laws, including OH&S Laws, are met in undertaking the Works;

(d) comply with the Land Development Policy and Pricing Manual as it affects the construction of the Works;

(e) ensure that each element of the Works is constructed in accordance with:

   (i) the Design Documents;

   (ii) the Construction Requirements;

   (iii) the requirements of the standard Development Agreement (a copy of which is published on SEW’s website); and

   (iv) any other project specific requirements stated in the Development Agreement to the extent that those project specific requirements have been notified to the Contractor by the Developer or the Developers Representative;

(f) ensure that any person engaged by the Contractor (whether directly or indirectly) to perform any aspect of the Works is appropriately trained and qualified to perform those works;

(g) without limiting the foregoing, ensure that any person engaged by the Contractor (whether directly or indirectly) to:

   (i) undertake construction activities, has the qualifications specified in the Land Development Policy and Pricing Manual;

   (ii) undertake works in confined spaces, complies with SEW’s "Confined Space Procedures", set out in the Land Development Policy and Pricing Manual; and
(iii) undertake work on any Live Assets complies with:

(A) every relevant provision of the Land Development Policy and Pricing Manual concerning Live Assets; and

(B) any other written requirement of SEW, given to the Contractor;

(h) ensure that all materials for the Works are either materials specified in the Approved Products List or if they are not so specified, have been approved by the SEW;

(i) as far as practicable, ensure that any excavation made as part of the Works is wholly contained within an easement granted, or land transferred, or proposed to be granted or transferred, to SEW and ensure that:

(i) the Contractor promptly backfills such part of the excavation as is not contained within that easement or transferred land; or

(ii) the area of any easement or transferred land is increased to include that part of the excavation;

(j) ensure that there is in place, prior to the commencement of the Works and at all times during the completion of the Works a:

(i) Quality Plan;

(ii) Environmental Management Plan; and

(iii) OH&S Plan,

which meet the requirements specified in this Accreditation Deed;

(k) comply with the plans prepared in carrying out construction of the Works (but acknowledging that compliance by the Contractor with the plans submitted does not otherwise discharge any of the Contractor’s obligations);

The Construction Supervisor must comply with the following:

As for SC1
Notes:

1. The Specific Categories of Work for Sewer Construction are as follows:

   **SC1** Reticulation Sewers < DN 300 or <= 5m in depth: This Category of work covers supply and install, testing and commissioning of reticulation sewers < DN300 or reticulation sewers <= 5m in depth, including maintenance structures.

   **SC2** Branch/Main Sewer >= DN 300 or Sewer Retic > 5m in depth: This Category of work covers supply and install, testing and commissioning of sewer branch or sewer mains >= DN 300 or Sewer Reticulation > 5m in depth, including maintenance structures. Applicants must demonstrate they meet the assessment criteria and other prerequisites for Category SC1 to be eligible for accreditation in this Category.

   **SC3** Category of work covers installation, testing and commissioning of pressure pipelines up to DN 300 and service connection pipe work associated with pressure sewerage systems. Applicants must demonstrate they meet the assessment criteria and other prerequisites for Category SC1 to be eligible for accreditation in this Category.

   **SC4** Sewerage Pumping Station, civil works, mechanical and electrical equipment, including supply and installation of pumps, electrical supply and control, switchboard and cabinet construction, but excluding the installation of the pressure main which is covered in Category SC3. It also covers On-property collection/grinder pump units mechanical and electrical equipment, including supply and installation of pumps, electrical supply and control, switchboard and cabinet construction, but excluding the installation of the pressure main which is covered in Category SC3 associated with pressure sewerage systems. Applicants must demonstrate they meet the assessment criteria and other prerequisites for Category SC1 to be eligible for accreditation in this Category.

   **SC5** Specialist Works: This Category covers special sewer construction practices, including testing and commissioning of Categories S1 to S4 works in areas exhibiting difficult ground conditions (e.g. deep compressible clays i.e. Coode Island Silt), Critical areas as defined in the Water Company’s letter of intent (e.g. Central Business District or similar areas) and Shaft and Tunnel Excavations. Applicants must demonstrate they meet the assessment criteria and other prerequisites for Category SC1 to be eligible for accreditation in this Category.

Notes:

1. The Specific Categories of Work for Sewer Construction are as follows:

   WC1 Water Reticulation < DN 225: This Category of work covers supply and install, testing and commissioning of reticulation water mains < DN 225 associated components and structures.

   WC 2 Water Distribution >= DN 225: This Category of work covers supply and install, testing and commissioning of distribution water mains >= DN 225, associated components and structures. Applicants must demonstrate they meet the assessment criteria and other prerequisites for Category WC1 to be eligible for accreditation in this Category.

   WC3 Water Pump Stations: This Category of work covers supply and install, testing and commissioning of Water Supply Pumping Stations components and structures, including associated pipe work. Applicants must demonstrate they meet the assessment criteria and other prerequisites for Categories WC1 & WC2 to be eligible for accreditation in this Category.

   WC4 Specialist Works: This Category covers special water asset construction practices, including testing and commissioning of Categories WC1 to WC3 including WC6 works in areas exhibiting difficult ground conditions (e.g. deep compressible clays i.e. Coode Island Silt) or critical areas as defined in the Water Company’s letter of intent (e.g. Central Business District or similar areas). Applicants must demonstrate they meet the assessment criteria and other prerequisites for Category WC1 to be eligible for accreditation in this Category.

   WC6 Steel Pipelines: This Category of work covers handing, installation, jointing and testing and commissioning Steel Pipelines (i.e. Steel Pipelines with a fusion bonded medium density coatings and lining).

Schedule 5– Required Insurances

The Contractor is required to have the following insurances:

(a) Public liability insurance to the amount of $20 million per claim and not less than $20 million in the annual aggregate; and

(b) any other insurances required by law.
1. Key Performance Indicators

**SEW** will make assessments under the Performance Regime based upon:

(a) non-conformances with per kilometre audited;
(b) non-conformances with per project;
(c) non-conformances with per audit;
(d) any other matter with **SEW** considers relevant to assessing the performance of the Contractor; and
(e) Outstanding Projects on Maintenance.

2. Abbreviations

**EDLP** means End of Defects Liability Period i.e. maintenance period;
**NC** means Non Conformance;
**PDCA** means Plan Do Check Act cycle; and
**QA** means Quality Assurance.

3. Accreditation List Management – 3 Tiers

The three accreditation tiers and their applicable criteria are as follows

(a) **Self-Certified**: (Top performing contractors)
   (i) Least number of NCs/km Audited, NCs/project, NCs/Audit (based on the last 2 years)
   (ii) Evidence of Self-reporting of Non Conformances Rectification: Root Cause, Corrective Action and Preventative Action and notifying South East Water of outcomes.
   (iii) Evidence of the Contractor regularly self-applying the Performance Regime and advising SEW of any material outcomes.
   (iv) Considerable evidence of continuous improvement (PDCA) as per ISO 9001 or Civil Construction Management Code (CCF) (South East Water to obtain copy of audit)
   (v) Considerable Evidence of Non Conformances Rectification: Root Cause, Corrective Action and Preventative Action
(vi) Satisfactory Office Audit Report. i.e. audit pass, effective use of QA system, no major deficiencies of QA system

(vii) Excellent Response times for Non Conformance (NC) (closing out NCs, better than specified time frames)

(viii) Excellent Response quality (NC) (NCs closed out undertaking Root Cause, Corrective Action and Preventative Action)

(ix) Excellent Safety record (no work safe incidents stopping operations or breaches of the OH&S Act)

(x) Certified for ISO 9001 (Quality), ISO 14001(Environmental), AS 4801(OH&S)

(xi) Note that accreditation to the Civil Construction Management Code (CCF) will not, of itself, prevent a Contractor from achieving Self-Certifying status but may be relevant to any assessment.

(xii) Proactive Staff Training that exceeds accreditation entry requirements

(xiii) Good CCTV reports (future KPI NC/km based on the last 2 years)

(xiv) No outstanding EDLP projects

(xv) Positive trending in NCs/km Audited, NCs/project, NCs/Audit, number of Issues

(b) Certified (Majority of Contractors):

(i) Average number of NCs/km Audited, NCs/project, NCs/Audit (based on the last 2 years)

(ii) Commitment to reduce any outstanding EDLP projects (i.e. 12 month plan to eliminate outstanding EDLP projects)

(iii) Evidence or commitment to continuous improvement (PDCA) as per ISO 9001:2008 (SEW to obtain copy of ISO 9001 audit)

(iv) Evidence of Non Conformances Rectification: Root Cause, Corrective Action and Preventative Action

(v) Satisfactory Office Audits Report i.e. audit pass, effective use of QA system, no major deficiencies of QA system

(vi) Satisfactory Response times for Non Conformance (NC) (closing out NCs within specified time frames)

(vii) Satisfactory Response quality for Non Conformance (NC) as per NC notice

(viii) Satisfactory Safety record, (no work safe incidents stopping operations or breaches of the OH&S Act)

(ix) Certification for ISO 9001 (Quality), ISO 14001(Environmental), ISO 8401(Safety) or Civil Construction Management Code (CCF) –.
(x) Satisfactory Staff Training. Satisfies application entry requirements.

(xi) Satisfactory CCTV reports (future NC/km).

(c) **Qualified** (New **Contractors**):

(i) NCs/km Audited, NCs/project, NCs/Audit not yet measured (collecting data to be based on the last 2 years) Minimum 3 projects totally 1000m per service. (an average stage 30 lots @ 15m frontage + 10% for roads etc. = 495m. This equates to 2 stages)

(ii) Commitment to continuous improvement (PDCA) as per ISO 9001:2008 (SEW to obtain copy of ISO 9001 audit)

(iii) Procedures in place for Non Conformances Rectification: Root Cause, Corrective Action and Preventative Action

(iv) Satisfactory Office Audits Report i.e. passed

(v) Procedures in place for satisfactory Response times (NC)

(vi) Procedures in place for satisfactory of Response quality (NC)

(vii) Procedures in place for satisfactory Safety measures

(viii) Certified for ISO 9001 (Quality), ISO 14001(Environmental), ISO 8401(Safety) or Civil Construction Management Code (CCF).

(ix) Staff Training as per application

(x) Procedures in place for satisfactory CCTV reports (future NC/km)

(xi) Public Liability insurance, Professional Indemnity insurance as per the application

(xii) Accredited Key personnel as per the application

(xiii) Adequate training of personnel as defined by the application

4. **Tier Movement Options**

The **Contractor** may be:

(a) Downgraded from **Self-Certified**;

(b) Upgraded from **Qualified** or **Certified**;

(c) Suspended;

(d) Deregistered,

(e) Issued a **Show Cause Notice**;

(f) Required to submit for Reapplication (time period – 12 months);

(g) reduce work categories.

A **Contractor** cannot be downgraded to **Qualified**.
5. Upgrading of Accreditation

(a) A Contractor's Accreditation will be upgraded from Certified to Self-Certified if it demonstrates 12 months evidence of satisfactory Self-Certified criteria; and

(b) A Contractor's Accreditation will be upgraded from Qualified to Certified if it demonstrates 12 months evidence of satisfactory Certified criteria.

6. Downgraded Tier

One or more of the following items or pieces of conduct on behalf of the Contractor may result in the Contractor's Accreditation being downgraded:

(a) Unsatisfactory Office Audit Report - audit failure, ineffective use of QA system, major deficiencies of QA system; or

(b) Poor performance based on NC/km Audited, NC/project, NC/audit (bottom 10% in comparison to the median); or

(c) Unsatisfactory response times (not closing out NCs within specified time frames); or
