

## Boneo Water Recycling Plant

### Community Update October 2018

South East Water is committed to keeping neighbours and the local community informed on what is happening at the Boneo Water Recycling Plant (WRP) and we currently have several initiatives underway.

#### **Boneo Major Upgrade**

We have submitted our planning permit application to Mornington Peninsula Shire Council. This has now been advertised and you can provide feedback to Council prior to the 7<sup>th</sup> November 2018. Council will not decide on the application prior to this date.

An amendment to the Environment Protection Authority Victoria (EPA) works approval has been submitted. This is based on the new footprint/design and while the design of the plant has changed it still meets all of the same objectives as the reference design.

Our contractor John Holland Suez Beca and South East Water will engage with neighbours and community groups in the next few months to further discuss impacts during construction of the upgrade.

We will also be attending the Boneo Community Market on Saturday 17<sup>th</sup> November 2018, when members of the project team from both South East Water and John Holland SUEZ Beca will attend to provide an overview of the project to the wider community.

#### **Planting at the Water Recycling Plant**

Planting in areas B and C is now complete.

#### **Tootgarook Wetlands**

Remediation works are now complete. South East Water will continue to work with Melbourne Water to address the low water availability issue and for an ongoing monitoring and maintenance regime for the next 3 to 5 years.

#### **Bird Survey**

No bird survey this month.

#### **Connections Yard**

We are continuing to finalise arrangements on an alternative location for the Connections Yard in Rye. The tenant on the property we own at Melbourne Road, Rye has been given formal notice to vacate the site by the 5<sup>th</sup> December 2018. We then intend to relocate the connections yard to this location in Rye by mid-2019.

Remediation works at 710 Limestone Road, Boneo will be undertaken once the Connections Yard is relocated.

### **Feedback / More Information**

For more information or to provide feedback on any of the above initiatives please contact South East Water at:

Phone: 1800 055 465

Email: [boneo@sew.com.au](mailto:boneo@sew.com.au)

All community updates are now available on our website on the [Boneo WRP Upgrade](#) project page.

### **Mailing list**

To subscribe / unsubscribe to the mailing list for monthly updates on the Boneo WRP please email [boneo@sew.com.au](mailto:boneo@sew.com.au)
