

## Loch Rd, Tyrol St, Balkan Ct Water Main Renewal Day Works

### What to expect while we work in the Dandenong area from May to June 2019

You might not notice a lot of the work we do because most of it is beneath your feet. Every day, we're maintaining and upgrading the underground infrastructure that keeps water flowing. With some upcoming works in your area you might see us around. Roads which will be impacted:

- Loch Road, Dandenong.
- Elms Court, Dandenong.
- Tyrol Street, Dandenong.
- Balkan Court, Dandenong.

Here's what to expect while we get the job done.

#### Planning

- The water mains along Loch Road, Tyrol Street and Balkan Court have burst on a number of occasions and we want to upgrade them before it happens again.
- Downer will be delivering these works on our behalf.
- Together, we'll do everything we can to keep the disruption to a minimum and leave the area as we found it.
- We don't intend to disrupt your water and sewerage services.

#### Special information

- If your water supply is going to be disrupted, Downer will contact you in advance and arrange connection to a temporary supply.
- To connect this temporary supply, we will need to access your property.
- Businesses fronting the works with fire services will experience a planned fire service disconnection during works. Please check the map overleaf for work locations, review your business / emergency plan and advise your insurer.

#### Construction impacts

We'll do our best to keep impacts to a minimum however you may notice:

- A temporary site set up and storage area.
- More trucks on local roads.
- Limited street parking.
- Short periods of noise when heavy machinery is being used, including reversing beepers.
- Lane closures with traffic management to guide road users around the work zone.

#### Timing of works

- Weather permitting, we'll start work in May. It should take about six weeks to complete.
- Construction will be during the day, Monday to Friday between the hours of 7am to 6pm and if required on Saturday from 8am to 3pm.
- On occasion we may need to work outside these hours for safety or technical reasons.

Location of water mains being renewed
