

Ranelagh Beach Sewer Main Renewal Stage 1

Notification of upcoming day works in the Mount Eliza area

You might not notice a lot of the work we do because most of it is beneath your feet. Every day, we're maintaining and upgrading the underground infrastructure that keeps water and sewage services flowing. With some upcoming works in your area you're likely to see us around. Roads which will be impacted are:

- Earimil Drive, Mount Eliza

Here's what to expect while we get the job done.

Planning

- We're replacing 50 m of sewer main along Earimil Drive south from the stairs (please see map overleaf).
- JHL Civil will be delivering these works on our behalf.
- Other sections of sewer main, along the stairs and Ranelagh Beach are scheduled to be renewed at a later date.

Construction

We'll do our best to keep impacts to a minimum however you may notice:

- Increased truck movements
- Construction noise from heavy machinery including reversing beepers
- Road closures in place at the end of Earimil Drive during work hours.
- Pedestrian access to Ranelagh Beach will remain open.

We don't intend to disrupt your water and sewerage services during works.

Special information

- Horizontal Directional Drilling (HDD) will be used to renew this section of sewer main.
- Some vegetation removal may be required to facilitate works.
- The works area will be reinstated to as close as possible to its original condition.

Timing of works

- Weather permitting, work will be undertaken during the day Monday to Friday from 7 am to 6 pm.
- Occasionally works may be required outside of these hours for safety or technical reasons.
- Construction will commence on the 18th March 2019 and last for approximately 2 weeks.
