

Tanti Avenue Sewer Main Renewal

Notification of upcoming day works in the Mornington area

You might not notice a lot of the work we do because most of it is beneath your feet. Every day, we're maintaining and upgrading the underground infrastructure that keeps water and sewage services flowing. With some upcoming works in your area you're likely to see us around. Roads which will be impacted are:

Tanti Avenue, Mornington

Here's what to expect while we get the job done:

Planning

- We're replacing a total of 32 m of sewer main along Tanti Avenue in two sections behind the Beleura Private Hospital (please see map overleaf).
- JHL Civil will be delivering these works on our behalf.

Construction

We'll do our best to keep impacts to a minimum however you may notice:

- Increased truck movements
- Construction noise from heavy machinery including reversing beepers
- Traffic management along Tanti Avenue
- Site compound and laydown area set up

We don't intend to disrupt your water and sewerage services during these works.

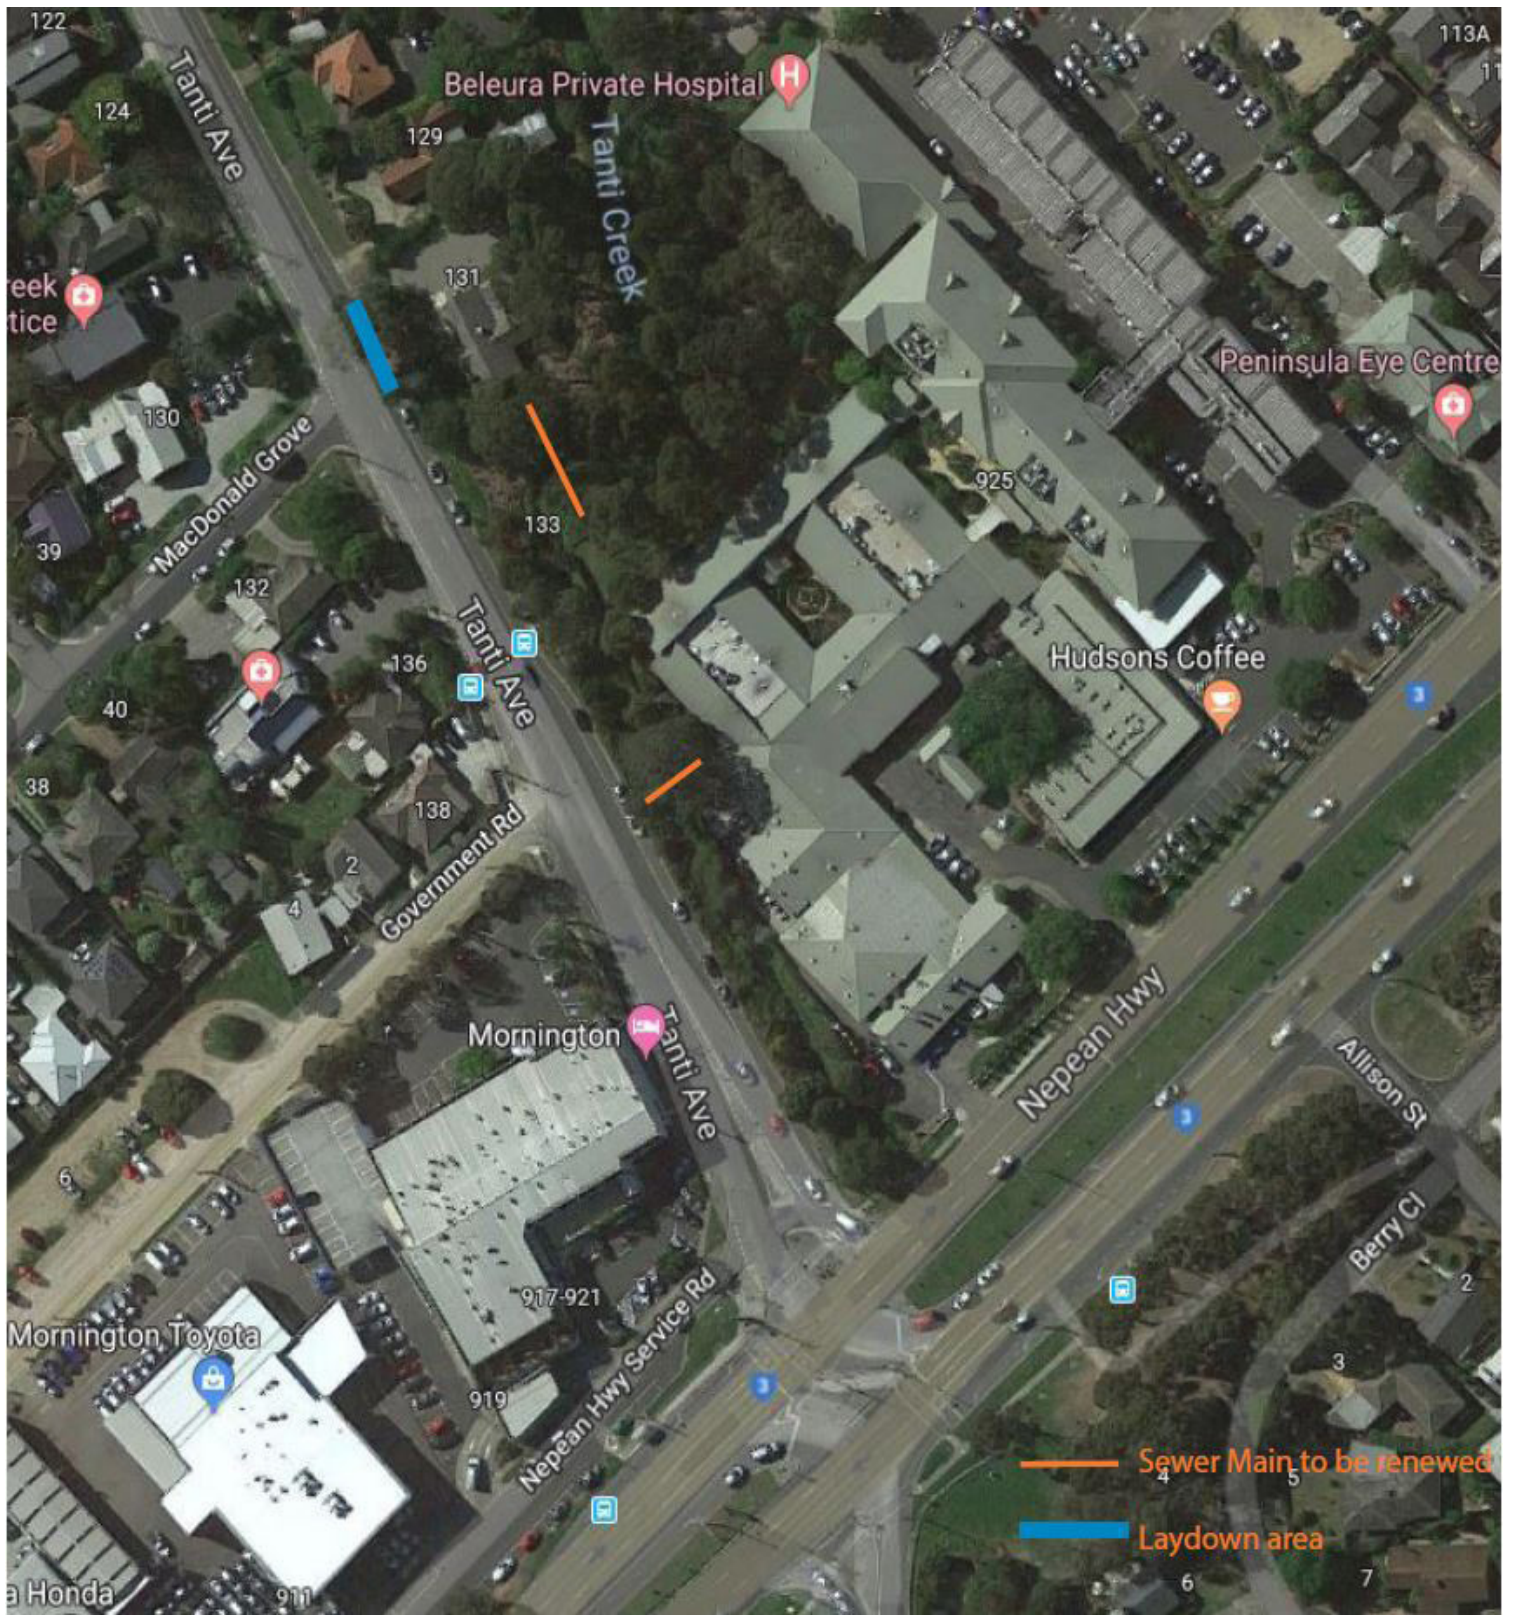

Special information

- We're using open cut trenching to renew this section of sewer main.
- Some vegetation removal may be required to facilitate works and allow machinery access to the site.
- Once we're finished, any area impacted by the works will be reinstated to as close as possible to its original condition.

Timing of works

- Weather permitting, work will be undertaken during the day Monday to Friday from 7:00 am to 6:00 pm. Occasionally works may be required outside of these hours for safety or technical reasons.
- Construction will commence on 5th August and last for approximately four weeks (weather permitting).
