## Aquarevo Water Recycling Plant

Join us to learn about the Aquarevo water recycling plant. Discover how it will efficiently treat and recycle wastewater within Aquarevo Estate, returning Class A water to local residents.

Our project team will be there to discuss the project and answer your questions.

### Date

12th December 2024

### Location

Aquarevo House  
56 Boland Drive Lyndhurst

### Time

5pm to 7pm

### Contact us
